The Hong Kong Institute of Directors Holds Silver Jubilee Dinner and Presentation Ceremony for Directors Of The Year Awards 2022

(Hong Kong, 25 November 2022) — The Hong Kong Institute of Directors (“HKIoD”) has announced the winners of the Directors Of The Year Awards (“DYA”) 2022. As the flagship project of HKIoD, DYA is one of the most prestigious business accolades in Hong Kong and the first of its kind in Asia. It seeks to recognise outstanding boards and directors, publicise the significance of good corporate governance and promote good corporate governance and director professionalism. The Awards were presented during the Silver Jubilee Dinner that celebrates the 25th Anniversary of both HKSAR and HKIoD, both having operated since 1 July 1997.

This year’s theme of work by HKIoD, notably in the Awards, is ‘From Resilience to Sustainability’, reflective of what directors have learnt over the years as resilience is the most important quality a company needs to survive in the ever-changing world and sustainability is the ultimate goal of every company.

The winners have been recognised for their ability to cultivate resilience in their businesses to the degree that they are able to anticipate, prepare for and respond to incremental change in an age of great disruption, whilst setting the pace for excellent sustainability-focused leadership now and into the future.

Financial Services and the Treasury (6th from the left, 1st row) bestows on the long-term loyal members of HKIoD souvenirs in recognition as Silver Jubilee Stars. They joined the membership in 1997, the inception year of HKIoD.

Congratulations to the awardees, who are inspiring role models for all directors!
