“ Hong Kong is China's gate to the outside world. Capitalizing on this unique opportunity, Hong Kong should cope with China's policy of emphasizing high quality development and enhance its position as a global scientific innovation hub, an international cultural exchange center, and an international financial center. At the same time, it should strive to introduce more talents, capital, and enterprises to the Mainland.”

“ Companies often face substantial legal fees when involved in disputes. Third party litigation funding allows a third party to pay all the legal costs related to a legal proceeding in return for a portion of the damages recovered if the (funded) party wins. This is an increasingly popular option worldwide for companies to transfer the financial risks of legal proceedings to a third party.”
