## Highlights of speech

The Hon Starry LEE shared the power and function of the National People's Congress (NPC) and her experience of the 2nd meeting of 14th NPC. Starry remarked that compared with other cities, the relatively high representation rates of Hong Kong at the Hong Kong People's Congress Delegation and Hong Kong Chinese People's Political Consultative Conference Delegation show the Central Government's support of Hong Kong. She also shared her vision in connecting with Mainland China, including the recognition of Hong Kong accounting practitioners in Mainland China, easier registration by Hongkongers for payment gateways and various mechanisms integrating Hong Kong with Greater Bay Area (GBA) for the better. The talk concluded with confidence in increasing GBA opportunities for Hongkongers.

李慧琼議員簡介了全國人大的權力和職能，以及她在十四屆全國人大二次會議上的經歷。李議員表示，與其他內地城市相比，香港人大代表團和香港政協代表團的代表率較其他內地城市高，可見中央對香港的重視。她還分享了她對香港和內地緊密聯繫的願景。她提及各種行動，包括爭取香港會計執業在內地的認可、簡化香港人使用內地電子支付的註冊程序以及香港與大灣區更好融合的各種機制。會談在一個對大灣區帶來日漸增長的機遇的信心下圓滿結束。
