💡 *Message from Awardee* 得獎者的話

I am sincerely grateful to The Hong Kong Institute of Directors for presenting me the Director Of The Year Awards. I also wish to thank all my staff and many who have worked alongside me for the past 20 years to make this possible.

Over the years, Samson Paper has developed into a multi-national company with diversified portfolios that encompasses paper manufacturing, FMCG and property development businesses. I believe that we have managed to keep up with shifting megatrends in this highly competitive environment because we have been proactively innovating our operational strategies, implementing stringent accountability frameworks, and always ensuring compliance to our rigorous risk management standards across the board.

This award is a huge encouragement for the Group and myself. We will continue to work together to manage business risks in the turbulent market and preserve the Group's competitive capabilities. We are certain that Samson Paper will continually innovate to create new and sustainable income sources, while always upholding the gold standard of corporate governance. Thank you.

衷心感謝香港董事學會給我頒發這個傑出董事獎。同時我還要感謝所有員工以及過去20年來與我並肩作戰的隊友，成就這一切。

多年來，森信紙業已發展成為一家跨國企業，擁有多元化的業務，包括造紙、快速消費品和房地產開發業務。儘管市場競爭激烈，我深信集團一直與時俱進，不斷蛻變，積極創新經營策略，全面實施嚴格的問責框架，並始終如一嚴格確保風險管理的合規性。

這次獲獎對集團和我本人都是一個極大的鼓勵。我將帶領集團繼續同心協力，在動盪的市場中管理業務風險，保持集團的最佳競爭力。我們相信，森信集團將以持續不斷的創新能力創造新的、可持續的收入來源，同時一如既往地堅持公司管治的黃金標準。謝謝。
