Message from Awardee 得獎者的話

It is a great honor to receive the “Directors of the Year Awards”. I would like to take this opportunity to thank the “Hong Kong Institute of Directors” and the Panel of Judges.

This is a highly recognized Award to the entire team of Lockton Greater China and a huge encouragement to our Board of Directors. Being a private company, we only have three stakeholders whom we are committing to – our clients, associates and the community. This is a culture of Lockton since its establishment in 1966, growing from its original start up in Kansas City to becoming the 8th largest insurance brokers globally. We advise clients of different industries on risk and insurance, reinsurance, employee benefits and claims management. As professionals, we commit to advocate the highest level of expertise, corporate governance and social responsibilities to assure our stakeholders’ interests are looked after.

Going forward, we will continue to strive for excellence, keep up with our simple culture and grow in the region together with our clients and associates.

很榮幸獲得“年度傑出董事獎”。本人藉此機會感謝“香港董事學會”和評審委員會。

這個獎項是對諾德大中華區整個團隊的高度認可，也是對我們董事會全體董事的極大鼓勵。作為一家私營公司，我們只有三個持份者 — 我們的客戶、員工和社群。這是諾德自一九六六年成立以來的文化 — 從最初在堪薩斯城開始，至成長為全球第八大保險經紀公司。我們為不同行業的客戶提供風險管理、保險、再保險、員工福利和索賠管理方面的建議。作為專業人士，我們致力於倡導最高水平的專業知識、企業管治和社會責任，以確保我們持份者的利益得到照顧。

展望未來，我們將繼續追求卓越，保持我們簡約的文化，並與我們的客戶和員工一起在大中華區持續發展。
